

## LIPMAN CUSTOM PAK

Lipman's is doing more with less, as freaks of freshness; they are one of America's largest field tomato growers that have a passion to deliver the very best of nature.

They are Earth-conscious family farmers who consider themselves as tomato experts. They strive to be North America's dependable source for fresh tomatoes and vegetables by using strategically located farms within a seamless packing and distribution network.

From seed to delivery, Lipman's is with you every step of the way. They take pride in their ability to deliver fresh product year-round by ensuring customer needs and demands are always met.

Lipman's goal is to maximize the use of natural resources and minimize their overall carbon footprint through precision agriculture.
